WARRANTY INFORMATION:
You receive a 2 year Manufacturer's Warranty with all Haier appliances. Fisher & Paykel Australia Pty Ltd will repair (or at its option replace) any part which is found to be defective within two years from date of purchase, without cost to you for either parts or labour.

To make a claim under any warranty, call Customer Care on 1300 729 948 or email customer.care@haierlife.com.au. Service under any warranty must be provided by an authorised Fisher & Paykel Appliances Service provider. Use other than in accordance with the products user guide and other than for normal domestic use may invalidate any warranty. This warranty is an extra benefit and does not affect your legal rights. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. To view full terms and conditions, visit www.haierlife.com.au/warranty. You must retain your original proof of purchase. Failure to produce proof of purchase when requested may, at Fisher & Paykel's discretion, invalidate your claim. The warrantor is: Fisher & Paykel Australia Pty Ltd, Suite 1, Level 2, 5 Eden Park Drive, Macquarie Park, NSW 2113. Phone Customer Care: 1300 729 948 Email: customer.care@haierlife.com.

WINE CHILLERS

Transform your home into an entertainer's dream with your very own wine chiller to store your prized collection. Mixing clever design with sleek looks, Haier's wine chillers are a welcome addition to any home.

Tailored to your wine

Set the temperature between 6°C and 18°C depending on the type of wine and length of storage required.

See your collection

The anti-condensation system gently lifts the glass surface temperature, clearing foggy glass, so your wine is visible at all times.

Optimum wine storage

The ventilation control allows for even air circulation and minimises musty smells.

Generous storage

With 9 wooden shelves and 1 wooden drawer, it can hold up to 51 bottles.*

*JC160GD only.

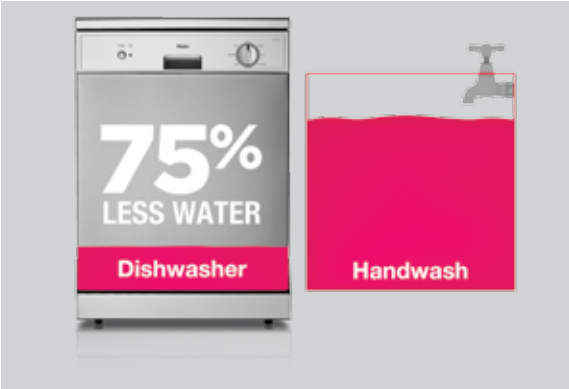
DISHWASHERS

Haier's range of dishwashers offers convenience, performance and stylish design wash after wash. Incorporating environmentally friendly and time saving design, expect Haier to care for the environment, your dishes and your lifestyle.



Save water

Dishwashers use 75% less water than hand washing, caring for the environment and your dishes.[a]

Save water and energy

The Half Load option uses up to 20% less water and energy, so you don't have to wait for a full load to wash. **

Limited space?

Haier's compact dishwashers are only 450mm wide and hold up to 9 place settings, making them perfect for small households.^

Time poor?

Only 30 minutes on the Quick cycle means less time doing the dishes and more time for you.

FRONT LOAD WASHING MACHINES

Enjoy exceptional wash performance with Haier's front load washing machine range. Each washing machine is loaded with smart features so you spend less time doing chores and more time on the things you love.

Gentler and more efficient wash

The Wave Drum design protects the clothes and makes it easier to be cleaned, giving you a gentler and more efficient wash every time.

Built to last

Stainless steel drums are more durable and longer lasting than cheaper plastic imitations.

Save water and energy

Our range of front load washers carry a 4.5 star WELS water rating – caring for the environment as well as your clothes.

Time poor?

Only 15 minutes on the Quick/Express cycle means less time doing the laundry and more time for you.*

*Total cycle time depends on water supply pressure & temperature

^With 8.4%, 9.1%, 10.9% and 11.8% retail volume share based on 2009, 2010, 2011 & 2012 data respectively, Euromonitor.
*With 5.1%, 6.1%, 7.8% & 8.6% retail volume share based on 2009, 2010, 2011 and 2012 data respectively, Euromonitor.

Anti-bacterial

Haier front load washing machines use a long lasting anti-bacterial treated door seal.

Safety

Over foam detection system is provided on all Haier Front Load Washing Machines for peace of mind.

Saves space

Haier front load washers use less space than conventional Top Load Washers, perfect for small homes.

Easy to read

The LED display gives updates on time remaining on cycle.
